

PACIFIC EL NINO EMERGENCY RESPONSE - www.abmission.org/nino16

According to a recent report by the PNG Church Partnership Program (CPP), an estimated 140,000 people in Papua New Guinea are suffering severe food and water shortages as the result of the ongoing El Nino weather system.

The situation is worsening with successive crop failures, malnutrition prevalent amongst children, increased cases of typhoid, diarrhoea and pneumonia, and reports of desperate families exchanging women and girls for food, or abandoning them due to the inability to support them.

The Anglican Church of PNG is actively working with others from the Australian government-supported CPP to support affected communities who live mainly in the Southern Highlands and Western provinces, including the areas of Popondetta, and Dogura.

ABM is seeking to raise \$50,000 in the coming months, now that Initial Response funding from the Australian Government (DFAT) has ceased. Since this appeal was launched in November 2015, donations contributed towards the food relief in Kerina Evangelists' College but now more help is urgently needed.

Your gift will provide food and water emergency supplies in drought affected areas of Papua New Guinea and aid the Church in responding to this environmental crisis.

To keep up-to date with the latest emergency news or to donate to ABM's Pacific El Nino Emergency Response please call on 1300 302 663, email info@abm.asn.au or visit www.abmission.org/nino16

Please pray for the affected communities and for all who are providing aid.
