Because of the rapid changes brought on by the Covid-19 pandemic across the globe, much of ABM’s normal project work has been disrupted. Because of that, we have asked our Overseas Partners to supply us with prayer points that reflect the situation in their country. Included in this edition of Partners Praying Together are the prayer points that we have received. We have included these so that you can show prayerful concern for them as they, who like us are ‘weared by the changes and chances of this fleeting world’ (as the prayer from Compline puts it), adjust to living in a time of global pandemic. You'll also find the usual things we would normally have: the feasts and commemorations from the lectionary, the Australian Cycle of Prayer, and commemorations from the United Nations calendar. All the material is designed to inform your prayers for our Overseas Partners, the bishops and dioceses of our Church and for wider global concerns. With the Psalmist let us pray, ‘Let my prayer be counted as incense before you, Lord, and the lifting up of my hands as an evening sacrifice’ (141.2).

Who are ABM’s Overseas Partners?

This month we are asking you not only to remember our each of our Australian dioceses as they grapple with the Covid-19 pandemic, but also each of our each of our Overseas Partners as they deal with it too. Our Overseas Partners consist of Activity Partners (with whom we currently have joint activities), Relational Partners (with whom we have historical relationships) and Networking Partners (with whom we work overseas, or with whom we share information). We have, as the well-used Anglican phrase describes it, strong bonds of affection for all of them. Because our overseas work involves both the Church, through our Church-to-Church Unit, and communities, though our Anglicans in Development Unit, we often relate to our partners both through the Church itself and through a particular Church’s community development arm. So, as you pray, we ask you to remember each of our Partners (and their community development arms) some of whom are more able to weather through the coronavirus storm than others:

<td>✗ Lord Jesus, born in a stable, sought by Herod, taken as a refugee, hear the cry of all who are refugees or homeless. Fill us with love and care for them, and may we show that love in serving those in need. It is in serving them that we serve You, Lord Jesus Christ our Saviour.</td>

<td>✗ Pray for all those affected by Covid-19 worldwide; for the continuing fine-tuning of vaccines to allow for the best-possible protection against new strains of the virus such as omicron; for the more affluent countries to supply more vaccines to developing nations for a world completely vaccinated; for all primary-school children affected by Covid outbreaks. Pray for the people of Afghanistan for justice and peace, not repression; also for the people of Israel/Palestine and Iraq; pray for the people of the Solomon Islands now having to rebuild physically and politically after violent riots rocked the nation, remembering especially the impact this may have on their economy once tourism recommences. Pray that help will be given swiftly to all who suffered from the floods in Queensland and New South Wales, which will affect them foe years. Pray for the 2022 elections in Kenya that the country will remain united and peaceful both before and after the elections and that political leaders elected will mobilise electorates based on their development and leadership capacity rather than their tribal loyalties which could cause tensions between tribes. Pray for South-East Asia and the Pacific where Covid has decimated tourism causing millions to lose their businesses or livelihoods, leading them to the brink of starvation.</td>

with emerging strains; for all Australians who are vaccinated allowing more freedom for social interaction; for long distance travel and the opening of state borders; for those who have been in strict general lockdown the freedom to visit again; for the sheer joy of being able to meet face to face to worship God and come once again to the Lord's Table and to marvel at God's goodness to us through trying times. For gift of Christmas, the celebration of the birth of Jesus. God is amazingly good to us!

❖ We praise and thank You, Father, for Jesus' birth to rescue us and bridge the gap that separated us from You and the promise of eternal with You.

Prayer Points
from our Overseas Partners

The Anglican Church in Aotearoa, New Zealand, and Polynesia

❖ We pray for the people of Aotearoa New Zealand as they head off to be with family and friends over Christmas. We pray especially for those who may be alone at this time and for churches and agencies everywhere which show and share love and hospitality.

❖ We give thanks for the people of Auckland who have only recently come out of almost 4 months lockdown. Thank you for the way most people adhered to the rules in order to slow the spread of Covid.

❖ We pray for Karen Chute, the recently appointed Project Manager in the Diocese of Polynesia who will lead the Diocesan response to any cyclones this season.

❖ We thank you for the generosity of so many people who have supported the ‘Get one. Give one.’ campaign that is providing Covid vaccinations to people in low-income countries who would otherwise miss out. More than $160,000 has been raised.

❖ We pray for opportunities to share the light and life of Jesus with those who may not yet know him this Christmas time.
The Anglican Church of Papua New Guinea

✧ We give thanks for the blessing of hope, peace, love and joy in the hearts of people as Covid-19 restrictions are lifted in Australia so that they are able to travel and be united once more with their loved ones, family members, friends and neighbours especially during the Christmas and Epiphany seasons. Lord give us the wisdom to know the deeper meaning of Jesus Christ’s birth this Christmas and Epiphany.

✧ We give thanks to our Lord for the blessings of good weather patterns that bring rain clouds and cooler breeze to stop potential bush fires from occurring and give your people the chance to build their homes and lives again with happiness and joy. Lord, you are the giver and sustainer of good life.

✧ We pray for those people who are lonely at this time for any reason, O Lord. May you strengthen them in their faith and let them feel your presence so that they may come to know your divine power and love, throw off the feeling of loneliness in their lives and rejoice.

✧ We pray for those who are working through the holiday period so that vital services are provided to meet the needs of all people to enjoy and live their new normal lives. Lord give them strength to do their work in serving others this holiday period.

✧ We pray for priests, pastors and ministers who are put in charge as good shepherds to lead the Epiphany services to preach the message of Christ’s birth and manifestation to the Gentiles. May they meaningfully touch the minds of those who hear them so that those hearers are enabled to live Jesus-shaped lives as disciples.

✧ Continue to pray that the Nativity and Epiphany of our Lord will touch the lives of people with peace and joy in their hearts. To God be the glory - he gave his only begotten son to be the Saviour and Redeemer of humanity.

✧ Pray for effective leadership in the Governance of ACPNG in 2022.

✧ Pray for all bishops and priests in their various Church work in the five dioceses.

✧ Pray for ACPNG and its Church partners overseas for greater partnership, relationships and work in God’s mission.

✧ Pray for Church institutions throughout ACPNG for good governance, performance and productivity.

✧ Pray for Church ministries to become more effective in their teaching, learning and proclaiming the Word through Bible reading, reflection and sharing with others.

✧ Pray for the Anglican Education Division - National Education Secretary, Percy Kaniniba and Diocesan Education Secretaries.
The Episcopal Church in Jerusalem and the Middle East

✧ Pray in thanksgiving for the adaptability and resilience of so many in the churches of our complicated region.
✧ Pray for an improvement in relations between Iran and the Western powers and a better future for all Christians in Iran.
✧ Pray for the place of Christians to be actively respected in the Holy Land and especially in the city of Jerusalem.
✧ Pray for all to be enabled to be vaccinated against Covid-19 and for an end to absurd conspiracy theories and their promoters.
✧ Pray for Christians, Muslims, Jews, Druze, Yezidis, and followers of other religions and of none to have a sense of the common good of humanity and to act on it in these hard times.

日本聖公会
The Nippon Sei Ko Kai
The Anglican Communion in Japan

✧ Give thanks for the youth movements of the church, and pray for the upcoming meeting of diocesan youth representatives
✧ Please pray for the NSKK’s Justice and Peace Committee as they meet, and for encouragement to stand up for what is right, especially in a world where that is not always the easy option
✧ Give thanks for the unstinting work of the medical community - doctors, nurses and technicians - who devote their time to caring for others, and especially at the end of another year of pandemic, pray for strength to overcome tiredness and stress as they seek to bring healing
✧ Please pray for the work of the NSKK and other Christian groups in Japan as they minister to those in prison; that they may bring the light of Christ into dark places
✧ Give thanks for all the opportunities presented by this New Year and pray that Japan may take seriously its role as a developed nation to help bring growth throughout the world
✧ Please pray for all those who are still affected by Covid-19 and those who will start this new year alone or without their loved ones
