Archbishop's 2022 November Appeal

Newton Theological College,
Papua New Guinea

Newton Theological College in Oro Province is where the Anglican Church of Papua New Guinea trains its ordinands for priesthood.

The College community comprises about 90 people, including staff, 12 on-campus students, and their families. An additional nine students are undertaking a bridging course.

While the students receive theological formation, their spouses also receive training in basic literacy, Bible and theology, sewing, cooking and healthcare. Spouses both share in their husbands' ministry and have distinct ministries of their own.

A key challenge for the College is to meet new government requirements in curriculum, administration, and infrastructure.

Several buildings have already been improved, and a health clinic and nurse's house are being renovated.

Your donation to the Archbishop's November Appeal will contribute to vital College operating costs, without which there would be no College.

Prayer for Newton College

Holy and eternal God,
you call your Church to play a part in the ministry of your Son Jesus Christ,
our great high priest:
may your Holy Spirit encourage, inspire, and call people to offer themselves
to the Church for its priestly ministry,
that being fortified by the Spirit's power and equipped by divine grace,
they may draw people to you through baptism,
nurture them through preaching,
and feed them with the Body and Blood of the same Jesus Christ your Son
our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit, one God,
now and for ever.
Amen.
