

Partners Praying Together

November 2023

ABM's *Partners Praying Together* is designed to link our supporters with our partners. Each month we present the prayer requests we receive from our Overseas Partners. Together with that we have the feasts and commemorations from the lectionary, the Australian Cycle of Prayer (which allows you to pray for ABM's Australian Partners), and commemorations from the United Nations calendar. All of these are designed not to tell you *how* to pray, but to prompt you to pray in whatever way you prefer.

Let all who are faithful offer prayer to you . Ps 32.6a

The best way to keep up with what is happening at ABM is to look at our website – www.abmission.org where you can find all sorts of information. You can also subscribe to our monthly e-news, *On a Mission*.

Who are ABM's Overseas Partners?

WE ARE ASKING YOU to remember our each of our Australian dioceses as well as each of our each of our Overseas Partners. They consist of Activity Partners (with whom we currently have joint activities), Relational Partners (with whom we have historical relationships) and Networking Partners (with whom we work overseas, or with whom we share information). We have, as the well-used Anglican phrase describes it, strong *bonds of affection* for all of them. Because our overseas work involves both the Church, through our Church-to-Church Unit, and communities, though Anglicans in Development, we often relate to our partners both through the Church itself and through a particular Church's community development arm.

The Anglican Church of Southern Africa (ACSA)

WEEK 1

A Prayer for the Leadership of the Church and of the Nations

I will restore your leaders as in the days of old; your rulers as at the beginning.

Afterwards you will be called the City of Righteousness, the Faithful City. – Isaiah 1.26

We mark the eleventh month of the year while inviting you to join us to pray for the Church of the Province of West Africa (CPWA). Join us to bring before the Lord in prayer the Primate, and Metropolitan Archbishop, the Most Rev Dr Cyril Kobina Ben-Smith and the Bishops of the constituent dioceses and countries of the province. Let us pray for the Internal Province of Ghana (IpG) and the eleven dioceses even as we also remember the Internal Province of West Africa (IpWA) and the six dioceses (in five countries). Let us pray that the province and its dioceses and nations will continue to know and experience God's unfailing love and faithfulness in their ministries. As we pray for the Church, let us also pray for the political, social, community and religious leaders of the countries within the province remembering especially the volatile nature of the region when the churches are involved in mission but also that all leaders will in humility acknowledge and accept the sovereignty of God over their nations, communities, and faith groups.

WEEK 2

A Prayer for Mercy, Healing and Fruitfulness

Then your light will break forth like the dawn and your healing will quickly appear, then your righteousness will go before you and the glory of the Lord will be your rear guard.

– Isaiah 58.8

This week we lift up prayer to the Lord, that he will mercifully heal, grant fruitfulness and bring abundance of his grace to the various ministries and mission focus of the dioceses within the Church of the Province of West Africa. Let us remember and pray for the many persons who have been displaced from their counties as a result of the various insurgences in the West Africa region and have taken refuge or have been displaced internally or are being hosted by the constituent countries within the province. Let us pray that the countries within the province may know and experience political peace and stability so as

to be able to share the blessedness of their context with those sojourning in their spaces. Join us to pray that the Lord will show mercy to the afflicted, healing to the wounded and strength for those who support those in need.

Join us to pray for those in various parts on the globe who are facing various climate-change related crises of scorching summer (Europe and Oceania regions), floods (Libya, Mexico, Guatemala, South Africa and parts of India), earthquakes (Morocco), drought (various parts of East and the Horn of Africa), drying up of rivers and other water bodies (the Amazon region of Brazil among others), wild fires (Canada and other parts of North America). Let us pray that they will know the mercy and healing of the Lord as they face these unprecedented challenges.

Join us pray for the success of medical trials to reduce pain in surgery and for the success of various medical and scientific efforts to bring health and healing to God's people. Let us pray that all these efforts will be ethical in approach and will acknowledge God as the ultimate healer.

WEEK 3

A Prayer for Peace

The Lord gives strength to his people; the Lord blesses his people with peace.

– Psalm 29.11

In the third week of the month, we stand in prayer for the peace of the nations in West Africa especially in the Sahel region which have been rocked by various spades of coup d'tat and political crises that threaten the peace and stability of the entire West Africa sub-region. Join us to pray for political stability and peace within Guinea and Cameroon and the dioceses in these two countries. Lift up the leadership of the dioceses (Most Rev. Jacques Boston of Guinea and Rt. Rev. Thomas Babynton Dibo Elango of Cameroon) as they stand as salt and light in the midst of the challenges in their countries. Join us to pray for peace in Ghana against the backdrop of recent demonstrations and civil unrest among certain sections of the public. Join us to pray for the presence and participation of the leaders in CPWA in various religious and ecumenical spaces that they model being true prophetic presence and voice in their spaces in seeking and championing justice for all people.

WEEK 4

A Prayer for Love

I love you, Lord, my strength.

– Psalm 18.1

During the fourth week of the month, we invite you to join us to pray for people of all tribes, faith and none in the constituent countries and dioceses of CPWA, that all their undertakings and relationships shall be undergirded by love for one another mindful that most of them share common ancestry but are divided as a result of the Berlin Conference that partitioned Africa. Let us to pray that all people in Cameroon, Ghana, The Gambia, Guinea, Liberia and Sierra Leone will bear the burden of love and experience same in their personal and communal lives even as they undertake their various tasks and responsibilities. Let us pray that the actions and thoughts of all peoples and communities in CPWA will be directed by love for one another regardless of gender, ethnicity, creed, and nationality; that the ministries of the church will be motivated and driven by genuine love for all people of faith and none, race, tribe and nationality acknowledging that all are created in the image and likeness of God.

End of a ministry

Join us to give thanks and celebrate the ministry of the Most Rev. Benjamin Kwashi, former Bishop of Jos and former Archbishop of the Ecclesiastical Province of Jos in the Church of Nigeria. He began his priestly ministry in 1982 and was consecrated Bishop in 1992. Let us pray for good health and for God's guidance in his next ministry phase.

New ministries – Join us to celebrate and thank God for the commencement of new ministries for the following:

Pray that she will serve God's people with humility and dedication and that the Clergy and Laity will lend their support to the ministry she leads.
- ✠ **New Bishop, Diocese of George, ACSA:** Join us to give thanks to God for the commencement of a new ministry of the Rt Rev Edwin Pockass as the Bishop of George in the Anglican Church of Southern Africa. Pray that his personal charism will be further enhanced by the grace of God as he depends on the unfailing love and the ever presence of God in his new ministry.

Prayer Requests from Various Provinces

Sudan

- ✠ Please continue to pray for the situation in Sudan, for continued safe passages for humanitarian aid to displaced persons and for the parties working to bring relief and support to those affected and inflicted by the war. Please continue to pray for the safety and health of Archbishop Ezekiel Kondo and his team and for the ministry of the Church and other religious groups in these trying moments.

West Africa

- ✠ The situation in the Sahel region of West Africa continues to be very volatile and threatens not only the stability of the sub-region but also has the potential of spreading to other areas of the continent. The Sudan conflict has led to a massive displacement of people into the politically and economically fragile Chad and has a very high potential of creating a spiral situation in neighbouring countries in the region.
- ✠ **Internal Province of Ghana:** Pray for all the preparations towards the inauguration of two new Anglican Dioceses within the Internal Province of Ghana. The creation and inauguration of the Diocese of Nkoranza out of the current Diocese of Sunyani (to be done this month) and the Diocese of Tema (out of the current Diocese of Accra) in December.
